# Scenarios

Jamie is a gamer and loves to watch YouTube videos. Jamie wants to start a YouTube channel but does not know what game is most popular at the time. If he can see the most popular games people are watching it can improve his YouTube channel.

Sam loves to watch music video and see the new upcoming singers and rappers, but he doesn't know where to find video that most people are watching, if Sam could find video that most users are watching it would greatly help her
